

## ***The Spectrum of kinds again***

Follow-up to the workshop *The Spectrum of kinds* at the annual meeting of the DGfS in Bochum 2024

organized by

Carla Umbach (University of Cologne) and

Cecile Meier (Goethe-University Frankfurt/M)

**Cologne, 2.March 2024**

### **Schedule**

There will be two major slots corresponding to the two ends of the spectrum of kinds described in the workshop proposal. Each slot will be headed by a number of key questions. The discussion will be organized along short presentations / position statements.

10.00 -- 12.00	<i>Properties and kinds</i>
12.00 -- 12.30	lunch break
12.30 -- 14.30	<i>Ad hoc kind formation and the role of k-properties</i>
14.30 -- 15.00	wrap-up

**Place** Institut für deutsche Sprache und Literatur I  
Albertus Magnus Platz, 50923 Köln  
Room 2.127 (second floor)

After the meeting we will visit the Museum Ludwig, which is one of the leading museums of modern art in Germany (<https://www.museum-ludwig.de/en.html>).
