Engage • Innovate • Collaborate

BACKGROUND INFORMATION

This day is intended as a kick-off for our DAAD-funded project "Take a Breath: Validating EMA for speech breathing and its implementation in ADA" within the framework of the Procope program.

INFO WORKSHOP

Please let us know if you would like to participate, since the workshop will only take place if there is enough interest: tabea.thies@uni-koeln.de

Further information will follow by email.
